5 of 5 people found the following review helpful. Pretty good cook book
*By 4monkeys**I have tried two recipes from this book and liked them both. I would say overall it is what it says it is. It has side dishes, meals and dessert recipes and freezing tips. Recipes are easy to follow. I would have liked to see more main dish recipes though, since that is what I really need in my freezer.*

*By Trina Santiago**Nice recipes!*

Free up some time with just a little planning and using a secret ingredient found in every kitchen: the freezer! With ideas for every meal of the day plus ideas for appetizers, desserts and more, each recipe is easy to make ahead and freeze. Mealtime has never been easier! Its take-along size makes it an ideal shopping companion. You'll want to collect the whole series!
